Peer Mentors

A group of our Peer Mentors joined up to welcome Semester 2 boarders to St. Stephen's. The group went to an 'Escape Room' and then out for pizza at *Da Remo in Testaccio*.

There is really no better way for new students to be introduced to Rome than by students who already know the ropes.

Thank you to the Peer Mentors for stepping up and welcoming newcomers into the St. Stephen's community!

Hummus Town Sales

After Hummus Town founder and St Stephen's Alumn, Shaza Saker, came to speak to students at Monday Meeting, a group of students joined forces to help Hummus Town meet their fundraising goal and support refugees in Rome become economically independent.

Sales of Syrian treats in the Cortile, are well under way. [Click here to find out more.](#)

Clown Therapy

The Clown Therapy Course 2018/19 is continuing with aplomb. Recently, students were joined by Valerio Boni, a specialist in theatre, to learn about imitation and improvisation.
